Chateau de Clinzeau is situated in the natural park the Morvan and is surrounded by woods, lakes and green rolling hills. It is the perfect spot to relax and enjoy the landscape, the estate and the company of friends and family. The chateau can accommodate groups of up to 15 people, divided over three floors.

### THE ESTATE

Chateau de Clinzeau was built in the nineteenth century. It towers majestically over the private estate of almost 25 hectares, which includes woods, a meadow and a beautiful lake.

When walking the old paths around the chateau you could bump into deer, foxes, badgers or boars. The ancient trees on the estate are a perfect hiding place for many different bird species, like owls and red kites.
